

**Questionnaire:**

How well were you able to differentiate between different weights in **the experiment**?

(not at all )1    2        3        4        5        6        7 (perfectly)

How well were you able to differentiate between different weights in the **game with haptics**?

(not at all )1    2        3        4        5        6        7 (perfectly)

How good was the overall experience in **game with haptics**?

(not at all )1    2        3        4        5        6        7 (perfectly)

How good was the overall experience in **game with haptics**?

(not at all )1    2        3        4        5        6        7 (perfectly)

How well do you think the scene felt in comparison to real life?

(not at all )1    2        3        4        5        6        7 (perfectly)

How Well do you think the overall scene was compared to real life?

(not at all )1    2        3        4        5        6        7 (perfectly)

How comfortable did you feel in the experiment?

(not comfortable )1    2        3        4        5        6        7(extremely comfortable)

How comfortable did you feel in the game with haptics?

(not comfortable )1    2        3        4        5        6        7(extremely comfortable)

How comfortable did you feel in game without haptics?

(not comfortable )1    2        3        4        5        6        7(extremely comfortable)

Please report any positive or negative experiences you had during **the experiment**.

Please report any positive or negative experiences you had during **game with haptics**.

Please report any positive or negative experiences you had during **game without haptics**.
